

CYBER SECURITY FOR EVERYDAY PEOPLE

Gahanna Library
Thursday, April 25

Learn EASY ways to protect yourself from on-line threats from e-mail and web sites. In addition, this FREE non-technical session will discuss strategies to protect your banking and financial matters.

This mini seminar is designed for those who feel apprehensive or unsure using technology. However, all are welcomed.

Thursday, April 25, 12:00 – 1:30 at the Gahanna Library. Simply RSVP by sending an email to Seminar@XLNsystems.com and request the number of seats needed or call (614) 947-3607.
